

# Po' Boy Blues

When I was home de  
Sunshine seemed like gold.  
When I was home de  
Sunshine seemed like gold.  
Since I come up North de  
Whole damn world's turned cold.

I was a good boy,  
Never done no wrong.  
Yes, I was a good boy,  
Never done no wrong,  
But this world is weary  
An' de road is hard an' long.

I fell in love with  
A gal I thought was kind.  
Fell in love with  
A gal I thought was kind.  
She made me lose ma money  
An' almost lose ma mind.

Weary, weary,  
Weary early in de morn.  
Weary, weary,  
Early, early in de morn.  
I's so weary  
I wish I'd never been born.
